French C.1930s Forged Iron Host/Music Stand

A beautiful C.1930s forged iron host/music stand from the entrance of a restaurant of a Parisian hotel.

Super high quality with intricate tooled iron detailing.

The stand itself is height adjustable and would work perfectly as a music stand.

Stylistically symbolic of the time.

Measurements at lowest height.

Dimensions (cm)

H122 x W42 x D40
