

Unique XXL Primitive Shelving Unit In 18th C. Portuguese Chestnut

A unique XXL shelving unit designed and built in house using rare 18th C. Portuguese chestnut boards.

This piece was inspired by an etagere we bought several years ago from a gallery in Toulouse.

Simple sculptural design with five individual shelves.

Heavily patinated hewn chestnut with beautiful grain.

(Designed to be stood on the floor whilst secured to the wall)

Dimensions (cm) H251 x W121 x D34 cm
